In response to the Examiner's non-final Office Action dated April 9, 2003,
the following amendments and remarks are respectfully submitted in connection
with the above-identified application.

In the Claims:

Please amend the claims as follows:

1. (Amended) An audio data receiving apparatus, comprising:

PA
a converter converting a digital audio signal, input from a source external
to the audio data receiving apparatus, into record-formatted audio data; and
an interface, receiving the record-formatted audio data from said
converter, and transferring, via a bus, the record-formatted audio data to a disk
recording/reproducing device without conducting a preparation process for
